WANTS TO OPEN CUSTOM MILL

MAN OF MEANS WILL EQUIP
PLANT TO HANDLE ORE FROM
MINES NEAR CARSON CITY

Some more good news for miners and men interested in the district tributary to this city, is contained in the statement of a man, who for business reasons withholds his name at this time.

He says that, provided he can be guaranteed a sufficient amount of ore to justify the expense, he will open a custom mill of a capacity required to handle the product of mines that can afford to haul to the mill.

The plant will be equipped to mill any ore, gold and silver bearing, concentrating or cyaniding, and the only condition he makes is that the miners and others that may have ore, show him that there is sufficient to repay him the expense of fitting up, and the interest on his investment.

The lack of a custom mill anywhere near this city, it is claimed, has retarded development. If this is true, now is the time to come forward and make good on the quantity of ore in sight.

He suggests that a number of mining men get together and find out how much ore they can furnish to the mill, and whether it requires 10, 20 or 40 stamps, he declares that he will put them in with proper encouragement.

NOTICE

Notice is hereby given that on Monday August 6, 1906 at 2 o'clock p. m. in front of the court house. The County Treasurer of Ormsby County State of Nevada, will sell at public auction to the highest bidder 1-3 of the purchase price to be paid in cash. The property known as the Ormsby County Agricultural Grounds, together with all buildings situated thereon. No bid for said property will be entertained for a sum less than \$5000.00.

Full terms of sale will be given upon application at the office of the County Clerk.

The Board reserves the right to reject any and all bids. By order of the Board of County Commissioners.

J. B. WOODBURY, Chairman
H. B. Van Etten, Clerk.

ELK'S HOME IN SACRAMENTO

The new Elk's Home in Sacramento was dedicated July 4th and the exercises were accompanied with most imposing ceremonies. Among the prominent names on the program were those of J. A. Owens as one of the large chorus. Mr. Owens, whom we all call "Gus" was the organizer and trained the voices for the choruses.

VISITING FRIENDS

Miss Stella Bell, daughter of Mr. and Mrs. Leslie Bell, formerly of this city, is visiting Carson City friends. This is her first visit for over five years and she has gained so much in height that it is with difficulty that her friends recognize her. She is still the amiable, sweet-dispositioned young lady she always was and is glad of an opportunity to revisit the scenes of her youth.

Mrs. Bell and her daughter, Miss Treasure, were visiting friends in Dayton and expected to come to Carson City, but Miss Treasure was taken ill and it was deemed best to take her to the Bell home in Oakland.

The failure of Sen. Nixon, to show up in these parts is causing the faithful a good deal of anxiety for some reason or other.

A GLORIOUS CELEBRATION

GARDNERVILLE PUT FORTH
HER BEST LICKS AND ENTER-
TAINED AN IMMENSE CROWD.

Five coaches and two flat cars, filled with celebrators left the Carson City depot yesterday morning, bound for the new town of Minden, thence to Gardnerville to celebrate the glorious Fourth in a fitting and elaborate manner.

The trip was the first made by the new extension of the V. & T. railway and it was for this reason that many went who do not usually attend Independence Day celebrations.

The weather behaved faultlessly and none of the pretty new gowns that the feminine hands had fashioned were spoiled by an inconsiderate shower.

The parade was an interesting feature of the day's proceedings and was well carried out. The Indian school band furnished the music and several floats were well conceived and executed.

Miss Emma Hussman, was the Goddess of Liberty and looked the part to the life.

The games proved to be very interesting and many of them were highly exciting. Allie Ambrosotti, of this city succeeded in catching the greased pig and Arthur Dorais won the 100-yard race. Dr. W. W. Goode was the successful broad jumper and the Carson City Gun Club won the clay pigeon shoot by 51 points.

Dancing was kept up all day and night, the large platform specially constructed for the occasion, and Vail Hall, the regular dancing hall, being crowded to their utmost capacity.

Five coaches were sent to bring the people back to this city and the crowd arrived at 2 a. m., tired and weary but with no regrets for having attended the Valley celebration.

THE VALLEY PARK PLANS

A BONA FIDE PROPOSITION CON-
NECTED WITH PROPOSED PUR-
CHASE OF THE RACE TRACK
GROUNDS.

The promoters of the Valley Park Association are in earnest regarding the proposition to purchase the race track property and convert it into town lots.

There will be no business houses erected in the addition, but the land will be devoted entirely to family residences, of which there is certainly great need.

It will be seen by referring to another column that the track has been advertised for sale to the highest bidder, but the Valley Park people wish it distinctly understood that if the property be knocked down to them that nothing will be done to the track or property until after the fall meet, so that its sale will not interfere with any plans that have been made for fall sports.

We understand that if a place should be needed for bicycle races or kindred sports, that ground will be donated to any club that will take sufficient interest in it to have it put in proper shape; this will get at rest the mind of the citizen who regrets to see the old track sold, but who forgets that bicycle races and other contests have decidedly been things of the past, a very dead past in this city.

INSURANCE VISITORS

James A. Foshay, President, and H. V. Davis, Secretary of "The Fraternal Brotherhood" of Los Angeles, were in this city today. Their principal business was connected with insurance matters and the greater part of the day was spent in the office of Commissioner S. P. Davis.

Miss Jessie Schulz, went to Gardnerville, via auto, Wednesday evening, returning at an early hour yesterday morning.

JUDGE JULIEN IN COURT OF LAST RESORT

"Tom" Julien, a man well known and loved by every person that knew him, a gentleman without fear and without reproach, a lawyer that tried more cases and settled them out of court than many of our bright young men take into court, a good citizen and a good fellow, died in Reno Monday.

He was one of the leading citizens of Washoe county and was known throughout the state, having practiced his profession in many of the leading mining towns of Nevada during the early days. He retired from the supreme bench several years ago on account of his health and since that time has remained at his home constantly. He had a large circle of friends and many of these friends have done much to make the last years of his life happy.

Hon. T. V. Julien was born in Ohio on November 14, 1838, and when seven years old moved with his parents to Indiana. He lived in Indiana until 1856, when he moved to Iowa. After studying law for three years in Iowa, he crossed the plains and located at California, where he engaged in mining and continued his study of law.

In 1862 he moved to this state and since that time has made Nevada his home.

CHINESE PLAY TO BE GIVEN

THE LEISURE HOUR CLUB WILL
REPEAT ITS SUCCESS OF LAST
MONTH.

The members of the Leisure Hour Club have been persuaded to repeat the delightful little play presented at the summer "High Jinks" last month, the proceeds to go towards the fund for a club building.

The manuscript will be enlarged and improved to make the play more suitable for presentation before a larger audience than witnessed its initial performance and many new features will be added that will greatly enhance the enjoyment of the evening.

The little play in itself is entertaining and comical and with the proposed additions and changes it will be worth going a long way to see.

Several new faces will be seen in the cast and many musical numbers will be introduced that will certainly catch the public.

The performance will be given at the Opera House and especial attention paid to the scenic effects.

A SMALL WASHOUT

The train from Minden yesterday afternoon was forced to move very slowly for a short distance while running over a culvert near Minden. The rain storm that came up during the afternoon caused the Carson river to increase in volume to such an extent that one of the culverts on the new road was slightly weakened, or, at least, it was deemed best to proceed with caution over the structure. Workmen were sent out at once and the culvert put in safe condition so that there is no danger whatever now.

A DAY IN THE WOODS

J. L. and Mrs. Mench, were the chaperons at a merry-making of young folks on the Fourth. A delightful spot at the foot of the Clear Creek hill was selected for the picnic ground and every one had a most delightful time. Mrs. Mench returned to Reno on the late special, but expects to come back to this city soon for a longer stay.

SOLICITOR WANTED

Either sex, to solicit and advertise, no peddling, pleasant work. Address F. O. Box 666.

HERE AFTER MANY YEARS

Harry B. Sharp, formerly connected with Wells Fargo & Co., of this city was a visitor here this week. This was his first in thirty years and he found many changes both in the town and the people.

Mr. Sharp is now located in Oakland and is leading tenor in one of the churches there. His friends here remember with the deepest pleasure the sympathetic notes of his beautiful voice and would have enjoyed hearing him sing but a spell of hoarseness, contracted on his trip from Lake Tahoe, prevented his complying with any requests.

MANHATTAN-CARSON MINE RE- SUMES

Work was resumed Tuesday on the property of the Manhattan-Carson company. A new shaft has been started alongside the great quartzite ledge and sinking will be carried forward with all the dispatch possible under the direction of W. J. Duval.

Mr. Duval says the company is prepared to sink this shaft to a depth of 300 to 400 feet.

THESE ARE SHORT ONES

John Newnham, arrived from Hobart Mills Wednesday, returning the same evening.

Mrs. Frank Cleveland was a passenger for Lake Tahoe in Wednesday's stage. She will remain there some time.

Henry Rice and wife, departed this evening for California whither, Mrs. Rice goes in search of health.

Charles E. Brulin, was over from Hobart Mills Wednesday for a brief visit with the home folks.

Harry Erle Martin, of Hobart Mills, was the guest of his grandfather, C. M. Schulz, on the Fourth.

The Virginia City celebration was a "whopping" success, so everybody reports that was there.

Thurman Roberts, who is interested in mining claims at Mina, is home for a short vacation.

A SON IS BORN TO THE ELLIOTTS

A son was born this afternoon to Mr. and Mrs. Henry Elliott, of this city. Mother and child are now doing well.

FOR SALE—Team of mares, elegant travelers; wagon, new harness; one buggy mare and buggy; offer will open July 6, 1906. Enquire 511 corner of W. Robinson & N. Division Sts., Carson City, Nevada.

Silver Bow is making a good showing in new mines located, but prices are so high that so far few sales have been made, with consequent lack of development.

Ely is, so busy, and there is so much industry and improvement going on in and around that place, that she simply bulges with prospective good fortune.

A fire in a hay yard at Columbia Monday, threatened for a time to burn down the town.

Mrs. Will Davis of Stockton, is visiting Carson with her two children. She will remain here for a couple of weeks.

A train wreck at Salisbury bridge in England resulted in the death of 30 persons Monday.

IMPROVING SLOWLY

C. E. Bray, who was kicked by a traction horse last Tuesday, is still improving, though slowly. The most pain is in his arm which received a severe blow and strain.

PLOT TO MASSACRE ALL AMERICANS SEPT. 16

CITY OF MEXICO, July 5.—A present plan is carried out there will be more bloodshed in Cananea on Sept. 16, the anniversary of Mexican independence.

Word has reached this city that the Mexicans of Cananea are preparing to drive out all Americans on that date. As a result of the reports the Mexican government will send into Cananea, before Sept. 16, enough federal and state soldiers to handle any serious trouble. What effect the presence of the troops will have on the plans of the revengeful Mexicans remains to be seen.

The recent Cananea trouble has made a deeper impression in Mexico than is generally supposed. It is the general belief that the 16 Mexicans killed at Cananea met death while attempting to defend their rights against unscrupulous American workmen.

The trouble has brought Americans into greater disfavor with Mexicans in different parts of the country. The Mexican newspapers have helped along the hostile feeling by publishing colored reports of the Cananea riots, together with fiery editorials and sneering references to the "benefits" of the American invasion.

A daily newspaper in Guadalupe, a few days ago issued an "extra," announcing that Mexico was preparing to declare war against the United States as a result of hostile moves on the part of the American government during the Cananea trouble.

That labor agitators were largely responsible for the Cananea riots is an established fact. Their work may yet result in an international question.

MORE PROSPERITY SIGNS

The salaries of the postmasters at Tonopah, Lovelock, Austin, Carson, Elko and Eureka have been raised \$500 a year. The salary of the postmaster at Goldfield will be increased from \$2400 to \$2800 beginning July 1, and the offices at Wells and Wadsworth have been elevated from the fourth-class to the Presidential class. The increases are the best evidence of the prosperity now being enjoyed by the state.

SERIOUSLY ILL

The many friends of Mrs. Henry Elliott, will regret to hear that she is very ill at her residence on west fifth street.

Doctor Pickard of Virginia City, was telephoned for this afternoon, to consult with Doctor Berry on the case.

CONDITION OF M. W. WIARD

M. W. Wiard, the well known stationer and jeweler was taken very ill at an early hour this morning, suffering with gall stones. Remedies were applied for his relief, but he is still a very sick man, although he is reported some better this afternoon.

A QUEER COINCIDENCE

Slight defects of vision rapidly grow into large ones. Your eyesight is too precious, do not neglect it. Have your eyes tested by a graduate refractician. Free examination. Glasses fitted scientifically. Dr. Goldberg, office Park Hotel.

EFFECT OF HOT WEATHER

Hot weather together with glaring sunshine brings out latent eye troubles. If your eyesight is failing nature calls for help. Get your glasses now. Eyes tested free. Dr. Goldberg, office Park Hotel.

C. S. Uddike and Miss Alice Hannan made a horseback trip over the mountains on Wednesday, visiting the various picnic parties on their way.

RUSSIAS NEW MANIFESTO

PEASANTS ASSERT RIGHTS AMID
CHEERS OF DEPUTIES IN DUMA
—DEMAND LAND BE RESTORED
THEM.

ST. PETERSBURG, July 5.—The Russian peasants have issued their much-looked-for manifesto in regard to the land question, which everyone admits is the uppermost in the minds of all the people at the present time.

It was presented to the Duma, and in anticipation that this would be done nearly every body was in his seat when the session opened. The demands leave nothing unnoticed that the peasants would like to have.

They demand that the government shall grant them all the crown lands and all the lands belonging to the nobility and that have been in their possession for centuries. The total value of these lands is \$2,500,000,000. It is the contention of the peasants and their representatives that these lands belonged originally to the people and that it is only a matter of common justice that they should now revert to the original owners. The manifesto argues that the present usurpers of the property have grown fat and insolvent on the receipts therefrom and that they have used them to crush the proletariat into a condition of abject moral and political slavery. They ask that they be given the full measure of their rights to the ends mentioned.

The manifesto was received with applause by the deputies representing the peasants, while the representatives of the aristocracy state that they are so outrageous as to make them impossible of consideration. That the manifesto will stir a controversy that will reach to all ends of the Russian empire is the opinion of everyone in St. Petersburg.

The manifesto was received with applause by the deputies representing the peasants, while the representatives of the aristocracy state that they are so outrageous as to make them impossible of consideration. That the manifesto will stir a controversy that will reach to all ends of the Russian empire is the opinion of everyone in St. Petersburg.

DREAD CHOLERA AT MANILA

MANILA, July 5.—Twenty-one new cases and fourteen deaths from cholera were reported by the health authorities today. In the province in which Manila is located there have been twenty-six cases and twenty-five deaths, showing the dangerous character of the outbreak.

The disease is one of the deadliest types known to medical science and the natives are easily falling victims. Four American residents of this city have fallen prey to the scourge. One of the victims is dead. His name is Charles Sheehan.

LATER—C. G. Wright, a cook of Company Sixteen Infantry, died this evening.

A BRIEF VISIT

F. J. McCullough, Jr. and wife, accompanied by Clarence Rowner, were in town for a few hours Wednesday. They returned to their home in Hobart Mills the same day. Mr. McCullough, Sr., went back with them and will make a visit in the pretty mountain town.

NEAR TO NATURE

Senator and Mrs. Brougher and family, Miss Thompson, Miss Short, Will Muller and Louis Sheldon celebrated the glorious Fourth by picnicking in Clear Creek Canyon near the Pedrol ranch.

FROM HOBART MILLS

H. E. and Mrs. Martin and G. S. Eveland of Hobart Mills, accompanied by Mrs. J. W. Riley of New York City, attended the Gardnerville celebration Wednesday, returning to Hobart Mills the same evening.

PLEASANT OUTING

A quartette of the employees at the Indian School had a picnic at the foot of the Clear Creek hill Wednesday, and from all appearances it was a very pleasant affair.
